

A graphic design for Austin, Texas. The background is a gradient of blue and purple. A large, dark blue guitar neck and headstock are positioned diagonally from the top left. Numerous black bat silhouettes are scattered across the upper half of the image. The word "AUSTIN" is written in large, bold, dark blue letters. Each letter of "AUSTIN" contains a different photograph: 'A' shows a street scene with a red building; 'U' shows a statue by a river; 'S' shows the Texas State Capitol dome; 'T' shows a tall, ornate building; 'I' shows purple flowers; 'N' shows a modern building with a grid facade. Below "AUSTIN", the word "TEXAS" is written in a smaller, bold, black font. A large, faint blue circular seal is visible in the background behind the letters.
